Einbauleuchte Diled 6W 360lm 2700-2100K

Dimmable:

Our 6W **Diled Downlight** is the successor of the successful Haled series from Sigor. The unique reflector perfectly imitates that of a halogen variant. The reflector can be tilted up to 50°. Due to the high color rendering index, an almost daylight-like color rendering is guaranteed. The recessed downlight has Dim-To-Warm technology. It is characterized by the lowering of the light color when dimming from 2,700K to 2,100K, as with a traditional incandescent lamp. The recessed luminaire is equipped with the latest LED technology and thus has high dimmer compatibility. The power supply is provided by an integrated driver. Especially important in the object: we offer 3-year warranty and vouch for the high-quality workmanship and durability.

Recommended dimmer: www.sigor.de/dimmerliste

360 lm luminous flux [lm]
6,00 Watt rated power
2700-2100 K colour temperature
Ra>95 colour rendering
<5 sdcm colour consistency
36° beam angle

stahl Colour housing
IP30 type of protection
-20° - 40°C temperature range in operation

0.9 power factor
230 V AC voltage
50/60 Hz operating frequency
28 mA current
6 kWh/1000h energy consumption
<1.0 s warm-up time up to 60% of the full light output
<0.5 s starting time

Ø 50.000 h nominal life time
L80B10 rated life time L70/B50
0,8 lumen maintenance factor at the end of the nominal life

Spectral power distribution
in the range 180 - 800 nm
